## OUR MISSION

---

Our club is not just about the business of lacrosse. We feel lacrosse should be a positive and valued part of a student athlete's experience, and not the focus of it. Colleges want a well-rounded athlete, so we encourage our athletes to lead full lives through school activities and other sports. We strive to strike a balance with our young athlete's busy lives. We also work hard to help and guide our players to continue their successful lacrosse career into the college ranks. Through our competitive and encouraging coaches and support staff, we provide the best lacrosse experience for your daughter. Our passion, experience and communication set us apart in southeastern PA.

parent, coaches and club director and may result in removal from the team. More than three unexcused absences are deemed to be excessive.

3. Victory Girls Lacrosse teams are divided by student-athletes' years of graduation. At the present time, there is one full team in each year of graduation. There are times when "A" and "B" teams are formed when deemed necessary. It is expected that all players attend all of the scheduled practices for their year of graduation. It is the responsibility of the player to notify the Victory Girls Lacrosse Director by email and CC their direct coach why they were unable to attend. Practice schedules for all years of graduation are available on each team page at [www.victoryeventseries.com](http://www.victoryeventseries.com) and will be communicated via LeagueApps. In the event of inclement weather or changes in the practice schedule, families will be notified via the League Apps and Twitter ([@VictoryGirlsLax](https://twitter.com/VictoryGirlsLax)).
4. Victory Girls Lacrosse coaches expect responsibility and accountability. We hold players accountable for their actions and decisions. Players are instructed to handle all communications with their coaches. That said, coach and parent interaction is encouraged and welcomed in a mature and responsible manner. Victory Girls Lacrosse adheres to the 24 Hour Rule – parents are not permitted to approach a coach until 24 hours after the game.
