

We'll Give You A Healthy Advantage

CONCIERGE SERVICES

Baylor Scott & White SportsCare can help you reach a higher level of performance on and off the field with the winning combination of sports medicine, education, and promotional support for athletes, coaches and parents.

SportsCare can make it easier for you to access specialized sports medicine services across the Metroplex by connecting you to sports medicine physicians on the medical staff, licensed athletic trainers and rehabilitation therapists throughout the DFW Metroplex. Through our concierge program, access to treatment and assistance for sports injuries is expedited.

For more information about Baylor Scott & White Health, common sports injury prevention and treatment, or for help in finding a physician who is right for you, contact your local SportsCare representative:

Andrea Strebler, ATC, LAT

972.512.7404
