In the event of a warning, coaches and players will be notified and any further incidents will result in that coach or player's removal from the Liberty National Elite Classic Lacrosse Tournament.
 - Referees will notify the Field Coordinator, who in turn will notify the Tournament Director immediately of any warning given to a Coach, Player, or Fan. Accordingly, the Tournament Directors will be made aware of all incidents throughout the Tournament.
 - Poor sportsmanship, taunting, trash-talking, fighting, or other unsportsmanlike behavior will not be tolerated from coaches, players, and fans.
 - Coaches who are removed from the Tournament will be reevaluated at the end of the event, at which point their team's acceptance into future Victory Event Series events will be addressed.
 - Please speak to a Tournament Director at the head tent about any problems that may arise during the weekend. Please instruct your parents not to come to the head tent. Only coaches or club directors should be approaching with questions or concerns.

Field Size

All fields will be regulation size.

Boys Faceoffs

Referees should place the ball on the faceoff X, then back out a minimum of two yards. Once the official is sufficiently distanced from the ball, the two players should then approach the ball. The faceoff will begin after a "Down," "Set," and whistle.

Per NCAA rules, players will not be allowed to take faceoffs with a knee on the ground, with a motorcycle grip, and must move the ball in a continuous motion.

Game Format/Rules

- The Liberty National Elite Classic will play by NCAA Rules, with the following exceptions:
 - There will be no shot clock. A clearing team has 30 seconds to advance the ball into the offensive box with possession of the ball. If a team is stalling on offense, the official has the discretion to issue a “get it in, keep it in” call, requiring the offensive team to get the ball inside the offensive box within ten seconds, and keep it in.
 - The NCAA diving rule will not be in use.
- All games will start promptly at the assigned times.
- Two, 22-minute running halves; teams change direction after the half.
- Halftime will be two (2) minutes, running clock.
- Each team is allowed one 30-second timeout per game. The game clock does not stop during timeouts. Therefore, timeouts cannot be called in the last two (2) minutes of the game. **Per NCAA rules, timeouts can only be called with possession of the ball below the restraining line in the offensive zone, or in dead-ball, out of bounds scenarios.**
- Penalty time **does** stop during a timeout.
- Stick Checks: Teams are granted one stick check per game. They cannot be requested under 4 minutes left in the game. If you request a stick check and its deemed legal, you will lose your one timeout. If you do not have a timeout and the stick is legal, the requesting team will serve a 30-second penalty.
- Games will start on the sound of the horn. We'll play with a continuous clock (sans timeouts as outlined above) which will be kept by the on-field field coordinator. In case of an injury in the final two minutes of the second half, referee will stop the clock using their discretion.
- Time Serving Penalties - Penalty time will be kept by the field coordinator. Penalty time served is time and a half. Penalty time stops on all timeouts.
- Referees can stop the game for any reason that he/she feels fit. Examples include serious injury, weather, etc.
- The official score will be kept by both the table staff and the game officials. The staff and referees will confer throughout the game and stoppages to ensure the correct score. Coaches must sign the score sheet win or lose, following their game.
- All substitutions are on the fly.
- Limited body-checking, excessively big hits and physical play (even within five yards of a loose ball) constitute unnecessary roughness and will result in a 1-minute penalty. The Liberty National Elite Classic Directors and Staff consider the safety of each player our top priority and we expect coaches and players to understand and abide by this philosophy as well. The officials are expected to protect and promote the safety of all players.
- If a sidelined player(s) leaves his/her team bench to engage in an on-field altercation, that player will be removed from the tournament and their team may have to forfeit.
- Player(s) who engage in antagonistic behavior (verbal assault, fighting etc.) may be removed from games or suspended from the tournament.
- Officials and Tournament Directors have final say on interpretations and rulings.
- The appropriate equipment and mouth guards must be worn by athletes always.

Tie/Forfeited Games

- There is no overtime in Pool Play. Tie games will end in a draw and each team will receive 1 point towards their pool standing.
- In Semifinals and Championships, we will play 4-minute overtime periods until a goal is scored.
- No time-outs in playoff overtime.
- In case of a forfeited game the score in the standings will be reflected by a score of 4 to 0.
